CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

8 OCT 1974

MEMORANDUM FOR: Dr. Roger E. Shields
Deputy Assistant Secretary
of Defense (ISA)

Mr. Frank A. Sieverts
Special Assistant for PW/MIA Affairs
Department of State

SUBJECT : Additional Information on US MIA

1. [redacted] who was released on September [redacted]

2. [redacted] revealed the following information: He was captured on [redacted] December 1972 at [redacted] Subject was marched three days and two nights to Xieng Khouang (UG 2938) where he was held for approximately one month in a cave detention center. While in Xieng Khouang during early January 1973 (exact date not recalled), Subject observed one caucasian wearing a light green flight suit and flight boots with long zippers who was wounded or injured in the left leg. The injured man was brought to the cave and subsequently interrogated by four PL and NVA troops. He was described as slightly over six feet tall, thin, age approximately 23, reddish complexion, brown hair and light colored eyes. During his interrogation Subject overheard only two words spoken by the caucasian, "Texas" and "Korat". Subject's only other passing contact was once on the day following interrogation.
