MEMORANDUM FOR: Director of Intelligence and Research
Department of State

SUBJECT: Director of Central Intelligence Directive (DCID) No. 1/10 "Coordination Staff," USIB-D-55.2/2, 22 May 1961

1. A few suggested changes to the proposed directive (DCID No. 1/10) have been received by the Coordination Staff from the member agencies of the United States Intelligence Board.

2. Most of the suggested changes have been reflected in the attached paper by lining out words from the draft distributed by the Executive Secretary of the USIB and by underlining the added words in a manner designed to clarify the intent and purpose of the document and to conform as closely as possible to the basic directives referred to in the opening paragraph.

3. With your permission a member of the Coordination Staff will again contact your staff representative to review the proposed changes reflected in the attached draft in the hope that lengthy discussion of the paper can be minimized when the subject is placed on the agenda of the USIB.
