MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Meeting with the President on Recommendation 4 of the President's Board recommendations dated 24 October 1958

Mr. Coyne has advised me that General Cutler will attempt to arrange an appointment with the President following the National Security Council meeting on 29 May. The purpose of the meeting is to allow you and General Cutler to brief the President on the progress in implementation of recommendation 4. You will recall that this recommendation deals with giving priority to obtaining better intelligence on the Soviet guided missile program and the capabilities of their long-range aircraft. I understand that the meeting will be scheduled for approximately 15 minutes.
