STAT

[redacted]

Dear Howard:

Thank you for your letter of 8 September 1960 with reference to the possibility of establishing a Branch of the First National Bank of Arlington in our new building now under construction at Langley.

We do not plan at this time to provide commercial banking facilities within our new building. If our plans should change at some later date you may be sure that the First National Bank of Arlington will receive most careful consideration.

Sincerely,

SIGNED
