MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Meeting of the President's Board of Consultants on Foreign Intelligence Activities, Friday, 25 April 1958

1. We have been advised that the President's Board of Consultants will next meet on Friday, 25 April. No specific time has as yet been designated, but it will probably be the usual procedure of meeting in the morning, lunching with the Board, and continuing for as long as necessary in the afternoon.

2. The only subject thus far indicated that the Board would like to have covered is progress in implementing the recommendations of the Baker Committee Report.
