Dear Whitey:

STAT [redacted] has advised me of your recent telephone conversation with him and the fact that you are planning to come to Washington for a visit sometime between the first and the middle of November.

There is a possibility that I may be away from the city sometime during this period, but naturally I shall be delighted to see you any time if my presence in Washington coincides with yours. I understand that [redacted] has also expressed to [redacted] your desire to get together with them during your Washington visit, and I am sure that they plan to be here and will see you at that time.
