13. KOREA. Communist delegation at Kaesong believed to have resumed training.
A 2 September North Korean message, probably from the Communist Kaesong
dlegation, reports that the "units have entered military training anew,
and starting tomorrow the battalion commanders will begin..classes."

Comments: Resumption of training activities among the more than
600 Communist personnel in the neutral zone may be interpreted as a
sign that a renewal of combat is contemplated.
